

## **CHAPTER V CONCLUSION AND SUGGESTION**

### **5.1 Conclusion**

Based on the result of the hypothesis test the researcher has come to a conclusion that there is significant influence of contextual teaching and learning (CTL) method toward students reading comprehension at eight grade of Sekolah Menengah Pertama Negeri 10 Kotabumi academic year 2018/2019.

### **5.2 Suggestion**

Based on the conclusion, the researcher suggests that CTL can be implemented at the eighth grade students of SMP Negeri 10 Kotabumi.

However, in implementing this technique the following should be paid attention to:

1. The teacher should choose material learning in class is should be based on the students needs or curriculum.
2. The teacher schould be able to manage time well because CTL consume longer time.
3. Teacher shold be able as manager in the class, because students will be very active that can trigger a noisy.
